## What is Tradies Insurance?

**Whether you're a carpenter, electrician, plumber or other tradie, we offer flexible cover to suit you and your business.**

Tradies Insurance is vital for any tradie, regardless of occupation, to adequately protect you in the event of unforeseen incidents. Depending on the needs of your business, you can get cover for legal liability claims, theft of tools and equipment, motor vehicles, and more.

We have developed a comprehensive insurance package known as the Master Trades Pack to cover most trade specific occupations for Public Liability, Tools, Commercial Motor Vehicle and other property related insurances. The policy allows you to streamline your insurances under the one easy to manage policy, delivering premium savings by leveraging your insurances together.
