- ✓ **General Property:** Australia wide cover for tools and equipment that is generally mobile.
- ✓ **Tax Audit:** Costs incurred by your accountant or tax agent in association with conducting an audit or investigation in relation to your liability to pay tax.

WHAT IS BUSINESS PACKAGE INSURANCE?

Business package insurance caters for small to medium sized businesses and offers broad financial protection against a variety of risks.

The package is structured with multiple policies, providing you with a vast range of options for how you insure your business.

For builders and tradies who operate their businesses out of an office, factory or warehouse.
