WHAT IS TRADIES INSURANCE?

Tradies Insurance is vital for any tradie, regardless of occupation, to ensure you are appropriately protected in the event of unforeseen incidents.

MBA Insurance Services has developed a comprehensive insurance package known as the Master Trades Pack to cover most trade specific occupations for Public Liability, Tools, Commercial Motor Vehicle and other property related insurances. The policy allows you to streamline your insurances and obtain all your general insurances under the one easy to manage policy delivering premium savings by leveraging your insurances together.
